Re: **Membership in the Brownfield Coalition of the Northeast**

Dear Brownfield Colleague:

The Brownfield Coalition of the Northeast (BCONE) invites you to become a member of the Coalition. BCONE is a network of professional practitioners, municipalities, and state regulators in the brownfield industry who are dedicated to the proper remediation and sustainable redevelopment of brownfield properties.

Operating in the Northeastern United States, BCONE's mission is to facilitate brownfield cleanup and redevelopment by providing education and information on the benefits of brownfield remediation and sustainable redevelopment within real estate markets of member states. We do this through educational forums, outreach to municipalities via our pro-bono municipal outreach program (BRIGHT™), networking events, and by working directly with federal and state regulators to support programs for brownfield s. Our Northeast Sustainable Communities Workshop, held every year (when there isn't a USEPA National Brownfields Conference), has become a "must attend" event in the Northeast for sustainability and brownfield practitioners.

Membership dues are \$125 per annum for individuals and \$400 per annum for Corporate memberships (up to 5 individuals). Member benefits include informational alerts and newsletters with industry-specific information, reduced admission fees to BCONE events, inclusion on BCONE's member listing and webpage, and great networking opportunities with industry colleagues and regulators. Sponsorship opportunities are also available for BCONE and specific BCONE Events. Please contact us for more information.

Please visit us at <http://www.brownfieldcoalitionne.org/> to read about what we do and how to get involved. **If you are a Municipal Official, State/Federal Regulators, Academic or Non-Profit Organization, there is no annual fee for membership, but please register on line so we have your correct information.**

We encourage you to join us and become a member of BCONE now!

On behalf of the Brownfield Coalition of the Northeast;

Stephen R Jaffe
